DURPLASTICS

“In Durplastics we believe in the power of creation. Taking the polyethylene as a base for new shapes and formats, we have created different collections that will suit your kitchen and your style.

This is why we are always looking for the improvement in kitchen and household products. This critical point of view inspire us to push the limits of the technique and innovate to bring effective solutions to your daily life. ”

“En Durplastics creemos en el poder de la creación. Tomando el polietileno como base para nuevos formatos, hemos creado diferentes colecciones que se adaptarán a tu cocina y estilo. Es por eso que siempre estamos buscando la mejora en productos de cocina y hogar. Este punto de vista crítico nos inspira a ampliar los límites de la técnica e innovar para brindar soluciones efectivas a tu vida diaria.”
